Volume 36 No 2

Everyone alright? Hopefully nobody did themselves too much damage with last month's bumper edition – and no, I don't mean carrying it home… Well, we're back to more regular proportions this month, but that doesn't mean we're not crammed full with some of the hottest totty ever to grace the pages of a high end grot mag. Alex has got the sort of look that should make her a firm favourite with Club readers (is it just me, or does she have something of the Jo Guests about her?) – and the sort of filthy mind that's already made her a favourite among Club employees! Meanwhile, Lux and Michelle turned out to be two of the most eye-catching – not to mention energetic! – lesbian lovelies we've been privileged to share a room with, while the ever-stunning Stella finally got round to reading all those letters from our boys overseas, and got kitted up accordingly. Ain't she great? – **The Ed.** ♣

# LETTERS TO THE LOUNGE

**Send your letters to: The Editor, Club International, The Lounge Suite, 2 Archer Street, London W1D 7AW or email *clubint@paulraymond.com.* Best letter published every month gets £50**

### KEENER ON GINA

You should have put a "hot new babe" warning on the cover of your last issue because that's exactly what I saw when I turned to Gina's pages. The girl is an absolute 10 out of 10 thanks to her great figure, fantastic boobs and a succulent looking rear. I personally reckon the likes of Sandy, Stella and Jana have a serious contender in the number one *Club* babe stakes. I know who I'm putting my money on!

*Andy, Bristol*

### TAKE YOUR PIC

I'd consider myself what most blokes would call a babe, as I'm tall and slender with large round breasts and ever-so-smooth legs. Best of all, I'm always willing to try new things, especially if it pleased my boyfriend, Anton. Recently he said I would fulfil one of his greatest sexual fantasies if I wrote in a dirty letter to your magazine. At first I didn't really know what to write because I've never really read any porn magazines, so my boyfriend showed me where his collection of dirty magazines was kept and told me to take a look for some inspiration. Well, a few hours and a leisurely bit of self-strumming later I soon knew exactly what to write about – the time I let him take some dirty pics of me.

We'd been seeing each other for a few months but at the time we lived apart so chances to have sex were few and far between, especially because we still lived at home with our parents. But one weekend my mum and dad went away leaving the house to myself for a few days. Well, as you can imagine the minute they were gone Anton was round mine and fucking me hard all over the house – and making plenty of noise to go with it. In fact I think it was the first time we stayed up fucking all night long. Naturally we spent the whole of the next day in bed but then Anton had to pop out for a few hours, so he said when he returned he'd have a surprise for me.

I didn't have a clue what he had in store for me and being rather tired I spent the afternoon catching up on some much needed sleep. About an hour before he returned, he texted me and told me to get dressed up in my sauciest underwear. I did just as he said, putting on my black lacy bra and knickers, fishnet stockings, suspenders and high heels. I did my hair and make-up and as I looked at myself in the mirror I thought I looked a total slut. Anton would love it.

When he eventually turned up I answered the door and quickly let him in. He took one look at me and wasn't disappointed at all. I was keen for him to fuck me but as promised he said he

### EVE-N BETTER

It's reassuring to know that one can rely on your excellent magazine for starting the year in style. Not only was 36.1 a bumper-sized issue, it also featured one of my favourite porn babes of all time – the gorgeous Eve. I don't know what it is about the little brunette but she gets my cock stirring every time I see her. Actually I do know what it is about her – it's her innocent look, which I imagine is very misleading!

# A WARM WELCOME

## *Don't worry, it might still be cold outside, but Lena should add some heat…*

**PHOTOS:** NICHOLAS SAGE

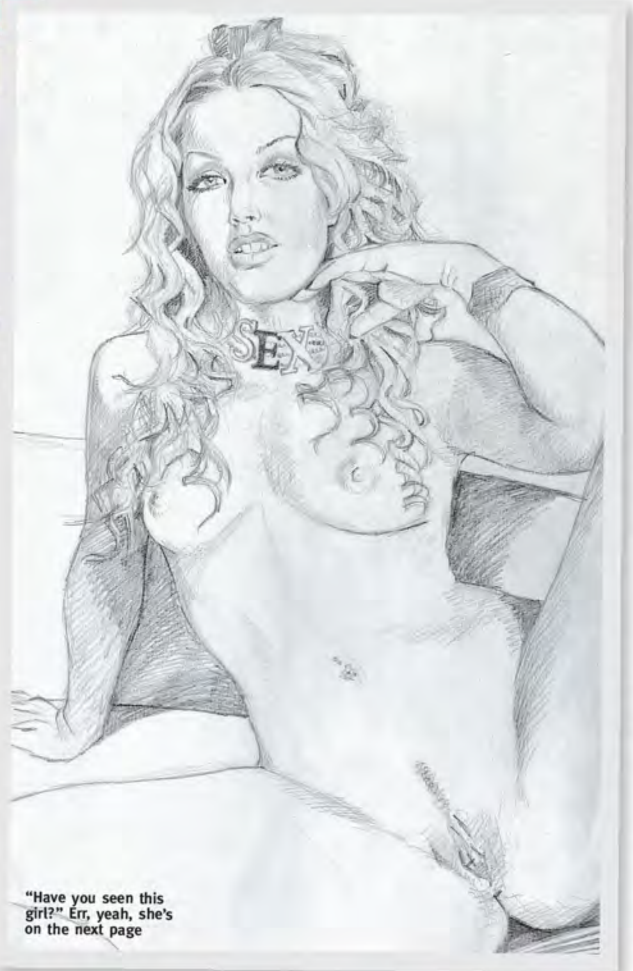
If any indication is needed that spring will soon be upon us, it's a beautiful porn babe basking in the sunshine. Of course, these pics of Lena were taken last summer when the climate was kinder, but hopefully they've put you in a good mood. When we caught up with Lena over the phone she was certainly looking forward to the coming months…

"I can't wait for the weather to get better," she started. "I'm desperate to get outside again, and be able to wear less clothing. You know I enjoy showing off my body and so I hate having to conceal my curves with a big winter coat. You can guarantee that as soon as it's warm enough, I'll be walking down the street in my skimpiest clothing, turning heads and getting whistled at. Until then I guess I'll have to make do with the attention of your readers. Hopefully there are enough enticing photos of me here to keep them occupied until spring arrives."

Mmm, they should do the trick! ♣

## WANKY DOODLE

Wow, what a great set of pictures of the gorgeous Stella featured in issue 35.11. I'd thought of doing a sketch of her and I hope you'll be kind enough to print it in your mag. I've even stuck the poster of her up on my wall!
Sam, Suffolk



"Have you seen this girl?" Err, yeah, she's on the next page

had something else in store. Out of his pocket he produced a digital camera. He'd borrowed it off a bloke at work and wanted to take some saucy snaps of me.

After reassuring me that he'd wipe the photos off the camera before returning it to his mate I willingly posed for some shots.

First of all he had me stand halfway up the stairs so that he could take photos of my arse. I pulled various poses and then began to tug at my knickers and bra so he could catch shots of my nipples and my snatch. By the time I was perched at the top of the stairs my bra was off and my knickers were round my ankles. I spread my legs and pulled my snatch apart. Anton zoomed-in and took some close-up shots of my pussy, that was getting juicier with each photo I posed for.

Then I walked on my hands and knees into my bedroom and climbed on to my bed. I still had my stockings and suspenders on but the rest of me was on full display for the lens. Anton happily snapped away as I proceeded to finger myself. On a couple of occasions I rose my hand to my mouth and tasted my juice-strewn fingers. This really turned Anton on and I could tell by the bulge in his jeans that he couldn't stay behind the camera for too long. When he stepped forward to take his next close-up I reached out and grabbed his throbbing crotch. He didn't back away so I unzipped his jeans and fished out his aching prick. As I began to tug on him he rattled off a few more shots but being a bloke he couldn't do two things at once so he had to put the camera down and see to my sexual needs.

I was very grateful for the attention and showed it by wrapping my mouth around his solid cock and sucking him off, interrupted only by his hasty attempt to discard his jeans and boxer shorts. His cock still had remnants of my pussy taste from the night before and even I was intoxicated by the flavour.

Pulling away Anton stripped fully naked and engaged in the 69 position with me. He tucked into my wet pussy with a serious hunger while I resumed sucking his cock. It was a good thing I had drained him dry the night before, otherwise I don't think he would have lasted so long and I wouldn't have been treated to the deep fucking that followed.

He moved me into the doggy position and started to fuck me hard from behind. I was so horny, each stroke felt deeper than normal and I wailed with great appreciation. At one point Anton reached out for the camera and took a few shots of us fucking at arm's length. Then he took some close-ups of his cock burrowing into my snatch.

For the grand finale he whipped his prick out of my cunt and told me to turn over. Then he straddled over me and wanked himself off until he spurted all over my face and tits. He managed to take a few more awkward shots of my come-splattered face

## ROON'S POON?

I'm sure I wasn't the only one who had to do a double take when I saw Suzannah in last month's *Club*. For a split second I thought it was Wayne Rooney's tasty young missus, Coleen McLoughlin! Mind you, with all Wazza's dosh I don't reckon she'd need to do nude modelling and he'd probably get a load of stick in the Man U dressing room if there were some mucky pics of her in your mag. I then thought about which WAG I'd love to see posing in *Club* and decided on Ashley Cole's other half, Cheryl Tweedy. I just wish I was good at football because I'd play my heart out for more than 90 minutes to get her in to her knickers!
*Jamie, Guildford*

## MUFF MEMORIES

You have earned my deepest gratitude for including the lovely Erica in Vol.35 Issue 13 of *Club*. What a treat for those like me who lament the passing of the 'natural look'. Her adolescent abdominal perfection evoked the most sensual memories of a well-spent youth when one used to come across such enchanting little developments as hers!

Please convey to her my undying admiration and gratitude for letting us share her exquisite intimacy. I lost my virginity amidst just such a wonderland almost 46 years ago to the day – my 17th birthday!

Oh, to repeat such joy with the gorgeous Erica! Yours in adoration…
*Malcolm, Edinburgh*

***You're welcome, Malcolm. Oh, and a belated happy 63rd birthday – if our maths serve us right!***

before the camera's battery died, and Anton soon followed by collapsing by my side.

We both dozed off to sleep in post-intercourse bliss and when I awoke Anton was still asleep. What he doesn't know is that while he was still sleeping I crept downstairs with the camera and transferred the dirty pics to my laptop. Then I deleted them from the camera and returned it to by the bed.

When he woke up he told me he was going to put the pictures on his computer at home so I let him take the camera, knowing he'd be very disappointed!

Sure enough, he phoned me a few days later to tell me the pictures had gone. I pretended to sound gutted but really I had a surprise in store for him. Once you print this letter and he reads it, I'm going to give a CD with all the photos on. He's not going to believe his luck!
*Daisy, Harlow*

**PHOTOS:** RUDEBOY

Now, as you'd expect, I'm more of a make love not war type of girl but I do appreciate the efforts of our lads in the armed forces, especially those posted overseas so I thought it only fair to fulfil the second most popular request I get from a lot of them – and that's by dressing up in some army gear. You can probably guess what the first request is.

So lads, how do I look? Because I tell you what, I feel fucking sexy holding this gun, but that's because I always like grabbing something long and hard and capable of firing stuff out the end! Seriously though, you don't think I look too butch, do you? I'll leave that to you guys. I can imagine most of you have got real firm bodies and great stamina. I even reckon you could give most porn studs a run for their money.

It would be my dream to go on one of those morale-boosting missions to an army base and maybe get to meet some of you in the flesh. Although I probably wouldn't be able to control myself with so many macho men about, just the thought of you all has got me wet between the legs. Hey, I've just realised I've got an unfulfilled fantasy now, to fuck a bunch of guys in the armed forces. I'm going to have to do something about that soon. In the meantime I'll have to indulge in a bit of one-armed combat with myself. And just to show you how much I love you guys, I'll let you all watch. Ready, aim, fire… ♣

# SUPER SHARP HOOTERS!

## There ain't no party like the Supermodel party...

If there's one shindig we look forward to religiously every year it has to be the Supermodel Agency birthday party. You can probably guess why from the name, although the invitees weren't 'supermodels' in the strictest sense of the term. But it doesn't matter since that skag-lover's other-half Moss and the Streatham bruiser Campbell aren't half as sexy as most of the crumpet that did turn up to Piccadilly's lush Pangea night spot for this intimate bash.

Take blonde stunner Lisa Marie Bourke, for example. We've said before that she looks the dead ringer of *My Name Is Earl* babe Jaime Pressly, and good karma was definitely at large because she got her boobs out for us. Her, and a whole host of top totty talent no doubt destined to be WAGS, *Big Brother* contestants or hopefully cover stars of this magazine in the near future.

Here at *Club International* we don't do favouritism but if we did then we would have liked to have taken home the lush Jamie Feather. Although she might not have been too pleased with having to get the night bus. ♣

# COCKWORK ORANGE

*For bright and beautiful Martha, it seems oranges are not the only fruit…*

**PHOTOS:** PHOTORAMA

Very eye-catching, don't you think? No, we're not referring to Martha's bright orange vest, rather her gorgeous round breasts. Apparently she loves having them fondled, squeezed and licked – although not necessarily in that order and not necessarily by a bloke…

"I've found that women are much better at pleasuring my breasts than men are. Most guys squeeze too hard for my liking, and tit wanks, what are they all about? I don't mind a man coming all over my breasts but when they try and get me to squeeze my boobs together so that they can rub their dick in my cleavage, it does absolutely nothing for me. A woman is far more attentive to my breasts, she knows how to stimulate my nipples and get me wet down below with tit play!"

Yeah, but that's only because she can get a lot of practice with her own! ♣

Aye, lads... there's

## NOWT AS QUEER AS FUCK

## PORN SPLOSHER BIDS TO BEAT OFF BIG ARNIE AT THE POLLS

Fuck flick starlet Mary Carey, who was, until very recently, making a second bid to pip Big Arnie to the electoral post as governor of California, told reporters shortly before she dropped out of the race that she was "a new woman" from the blonde who was an also-ran in 2003.

"I've got brown in my hair now because brunettes are taken more seriously," she informed the world, adding that she'd also lost weight, replaced all her teeth, had breast implants, and given up smoking, contraceptives and alcohol. "I've actually been sober for five days now," she slurred.

Sadly, the delusional dolly-bird retired from the gubernatorial competition shortly after this bizarre outburst, reportedly in order to care for her banged-up mother, who had just taken a header down a steep flight of stairs.

## ANTHRAX THREAT THICKO

Reality-challenged New Yorker Abdullah Date has been convicted for sending anthrax threats to the US authorities... in an envelope that contained the correct return address of his home. But what catapults his crime into the dizzy heights of absolute stupidity is the fact that the half-arsed miscreant was also sufficiently mindless as to include a taunting note, accompanying the threat letter, which read: "Catch me if you can!"

## YEAH RIGHT...

When law student Andrew Curzon recently appeared at Wimbledon Magistrates' Court charged with wrongfully attempting to cash a neighbour's pension-adjustment cheque for over £100,000, Curzon defended himself by claiming he suffered from "dyspraxia," a malady which renders him unable "to engage in logical thinking."

## BAWL YOUR EYES OUT AND SOB "CHEESE"

Demented Los Angeles photographer Jill Greenberg upset more than just art critics with a recent exhibition of snaps showing 27 toddlers in severe emotional distress – scenes that Greenberg had provoked by offering each tiny child a delicious lollipop, then cackling like a hyena and snatching it away. She admits that the photos are "upsetting" but has denied accusations of sadism.

## DOLLY BAD SHOW

In a recent fetish-themed rafting tournament on the Vuoksa River near the Russian metropolis of St. Petersburg, a competition in which males jockeyed to ride inflatable sex dolls along the watercourse, 40-year-old sad bloke Igor Osipov was disqualified when – according to a report filed by *Moscow News* – spectators and judges at the finishing line "saw signs of recent sexual activity on Osipov's doll".

## URBAN LEGEND...

### ...OR HARD FACT? YOU DECIDE!

**Not hoaxes or tall tales at all, but genuine phenomena and things that happened to real friends of friends of people's distant relatives... No honestly.**

**"THE MISSING MIDGET"**

A WELL KNOWN midget movie actor, other cast members and the midget's wife and friends, were returning to the U.S. after filming in Hungary. It had been a very long flight and most of the party, including the midget, had drunk themselves almost insensible by the time they approached Los Angeles.

Some 15 minutes before they were due to land. the midget rolled out of his seat and half-staggered, half-crawled to the lavatory in an advanced state of inebriation.

When the passengers began to disembark, the midget's wife – a woman of ordinary height – who was slightly less intoxicated than the rest of the party, sat up and began looking back along the aisle towards the toilets for any sign of her husband. There was none. Alarmed, she stood up, and happened to notice a bearded man pushing his way out of the forward door of the plane with her husband in his arms.

Rousing her companions, she led the party to the front of the plane and descended the steps hurriedly onto the tarmac.

Up ahead, the frightened wife saw the bearded man running towards the airport buildings, hand in hand with the midget, who appeared to be dragging drunkenly along after him, the toes of his shoes trailing. She ran into the building and saw the bearded man and her husband heading straight for Customs, the mysterious stranger glancing back furtively over his shoulder. She screamed at him to stop, and the man shoved her husband into a nearby chair and ran, leaping gates and knocking down officials in a frantic effort to escape airport security.

"Darling!" she cried, "Where was that man taking you? What did he want?!" But her husband said nothing. He was dead! As the wife and the rest of their party gathered round they were horrified to find that in the short time her husband had been missing, presumed on the aeroplane toilet, his body had been slit down the middle, his insides removed, and his innards replaced with bags of cocaine.

The bearded man had been trying to smuggle the dead midget into the US posing as his daddy.

1982. Prime Minister Margaret Thatcher celebrates her hard-fought (although not by herself) victory in the Falklands Campaign by giving the unemployed and desperate British public another vicious televised ticking-off about loafing and scrounging. **35 YEARS AGO**
1972. The British Broadcasting Corporation announces it is taking Andy Pandy off the air following innumerable complaints that his effeminate clothing, mob-cap, facial make-up, and semi-weightless mincing walk is warping children's minds. A decade later the debut of Boy George, who has been brought up watching this namby children's prog, will more than justify the public's grave concerns.

## TOP TEN...
## ...BEST SEXUAL POSITIONS

**"THE TAMPAX"**: For those who are into giving oral satisfaction, try going down on her and see what you can lick up. Remember to pay some attention to "the little man in the boat" and before you know it she'll be begging you to do her any way you want. No, really.

**"THE ROMAN SENATOR"**: Lying back on a comfortable bed fantasising of someone else while allowing your bird to gobble your flesh Popsicle. It's a no-mess no-fuss position to adopt if you can convince her to accommodate you (bribery so frequently works wonders) and you don't even have to break a sweat before you come off.

**"THE FUCKING BRONCO"**: Luxuriating on your back with your bird riding you cowgirl. You may like to give her a little tit massage if you find she is flagging, but otherwise this is pretty much a hands-free ride.

**"THE DOLE QUEUE POSITION"**: For those who prefer looking at your bird's arse instead of her tits and muff (or think she looks infinitely better from the back, or else can't lay your hand on a paper bag to put over her head) you can turn her round and get her to fuck you in reverse cowgirl. Yes sirree. Just watch that lil' filly go... as you come.

**"THE FULL FRONTAL ASSUALT POSITION"**: For the more athletic bloke, there are few better sex positions than the standing full frontal assault with your weapon firing straight into her pussy. A dozen or so press ups against the wall behind her and you can put your bat into your pants and retire to the pavilion. No frills or fancy footwork but you get your rocks off, and the bird can't say that she hasn't been knobbed.

**"THE LOG CABIN RAIDER"**: If you've forgotten to bring a condom and her ladyship's not on the Pill this is the best position to prevent unwanted pregnancies. "Up the bum for no babies", as they say in China. Yep, pure anal all the way.

**"DOGGY"**: Top choice when humping the unsightly or the whinger. Do her in the pussy from behind. You know it makes sense. You don't have to see her face and who cares what she's saying so long as you're getting your jollies.

**"THE 69"**: For those who believe in equality, the sixty nine is the business. If she's not putting her lips into it you can ease off on her clit until she gets with the program.

**"THE BOSOM MASSAGE"**: For tit fans everywhere, what could be better than a good old tit wank? It's safe and she won't be looking for child support nine months down the line.

**"PILE DRIVER"**: Drop her over the side of the bed so her shoulders are resting on the floor, then prise her legs apart, and, placing them over your shoulders, dive your cock between them pretending that your cock is a pneumatic drill. It isn't, though – so don't try this with pavement slabs.

## This Month: WI-FI

**Technological essentials for the 21st century chap. JACK BRAND picks out the good, the bad and the ugly of the gadget world...**

This month we're going to take a look at the frighteningly exciting world of wireless technology... whoo!

So, okay, you may know a thing or two about Wireless Fidelity (or Wi-Fi as it's more commonly known), but do you know it comes in different standards, including – deep breath – IEEE 802.11a, 802.11b, 802.11g, pre-N, 802.11i, MIMO, 802.11x, 802.16 and (by the time this goes to press, very probably) 802.11n? Ah ha!

Well, to be absolutely honest, you don't need to know any of that crap anyway. No, all you need to know is what standards you'll be encountering and how to use it to your evil advantage. So, enough of my Wi-Fi showboating and on with the, erm, show...

### IN THE AIR TONIGHT

So, what is Wi-Fi? Well, in a nutshell it's a means to sending (streaming) digital information from one gadget to another using radio signals and without a wire. It also means that you can access your home network and go online using your laptop anywhere in the home without having to physically connect to a phone line. Now, not only does this open a magical kingdom of convenience, it also means an end to countless miles of wires draped around your home. Sound good? Let's go back to the start...

At first there was 802.11a, which boasted a whopping 54Mbps speed but, operating in the 5Ghz band it didn't penetrate objects – such as walls – very easily, and was deemed a bit naff and soon overtaken by 802.11b. Still used now in most laptops and at most branches of Starbucks, 'b' runs at the slower speed, of 11Mbps, but thanks to operating at 2.4Mhz, all those problems with brick walls vanished!

But even that now is the past and skipping ahead several standards to the next poised to hit you, 802.11n is due to be ratified any time now and will offer speeds so fast you'll be able to stream movies (yes, even those types of movies) to your TV, surf the Internet anywhere in your home via laptop or PDA, stream music to any room in your house from your PC and even make phone calls over the Internet without needing to be connected to a PC – all wirelessly and all simultaneously!

It may still smack of witchcraft to some but, like experiencing the love of a good (but utterly deviant, I'm talking filthy, spunk-drunk here) woman, once you've tried it you'll wonder how you ever lived with that frigid old wired system you were previous content to be married too.

# LUX WILL HAVE IT!

***When Lux and Michelle get down to business, they forget the camera is there!***

## LUX & MICHELLE

**PHOTOS:** JACKS

Ever get the feeling you're being ignored? It happens to us all the time and when we got blonde stunner Lux and Oriental mystery Michelle together for this shoot, things were no different. Seriously, the girls were so wrapped up with each other we could have been standing there in the nude tugging one out and they wouldn't have noticed. Which is just as well, actually.

"Oh, I'm sorry," said Michelle, "I didn't realise I had to make conversation with you guys, too. I thought I was just here to get it on with Lux. You can't blame me if I was giving it my best in front of the camera, I thought that's what you would have wanted!"

"Don't worry Michelle," said Lux, "I certainly appreciated all your hard work, especially when your tongue was flicking against my clit – it drove me wild!"

"Hey, the pleasure was all mine. To be honest, regardless of whether there had been a camera there or not, I would have put in the same effort, a girl as hot as you deserves it. I'm into the give as good as you get way of thinking and you definitely give a lot."

"Do you think so? Oh, babe, that is so sweet, come here and give me a hug."

"I'd like more than a hug from you…"

Er, excuse me, the shoot's over now! ♣

## PRIZE JOKE!

### GOOD FOR NUTTIN'

One evening a man was at home watching the televison and eating peanuts. He'd toss the peanuts in the air, then catch them in his mouth. In the middle of catching one, his wife asked a question, and as he turned to answer her, a peanut fell in his ear.

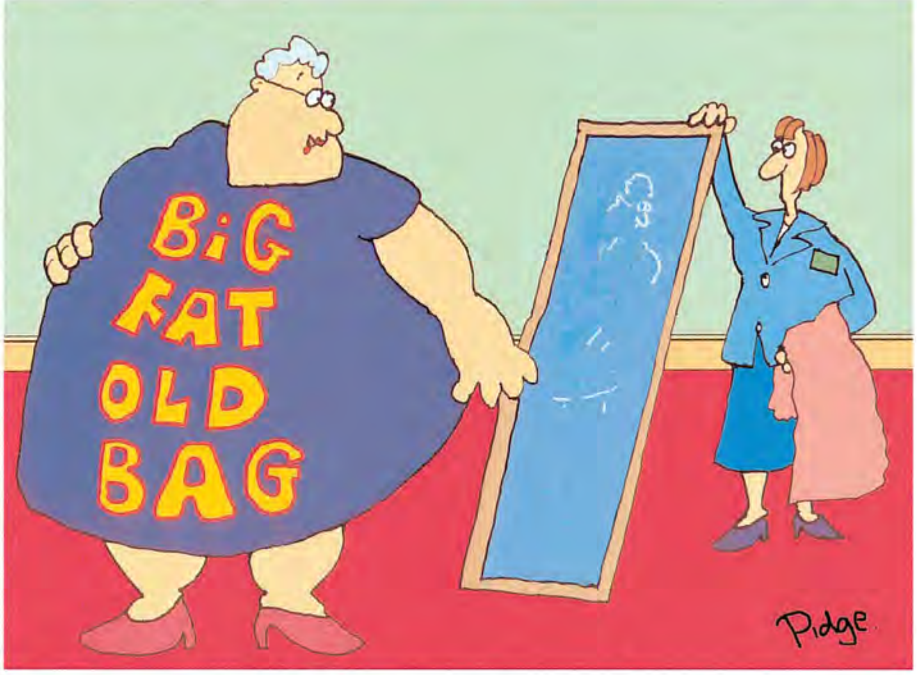
He tried and tried to dig it out but only succeeded in pushing it in deeper. He asked his wife for assistance, and after hours of trying unsuccessfully they became worried and decided they'd better go to the hospital.

Just as they were about to go out the door, their daughter came home with her latest date. After being informed of the problem, their daughter's date said he could easily get the peanut out. The young man told the father to sit down, then shoved two fingers up the father's nose and told him to blow hard. When the father blew, sure enough the peanut flew out. The mother and daughter jumped and yelled for joy.

The young man insisted that it was nothing and the daughter brought the young man out to the kitchen for something to eat. Once he was gone the mother turned to the father and said, "That's wonderful. Isn't he smart? What do you think he's going to be when he grows older?"

The father replied, "From the smell of his fingers, I'd say our son in-law!"

*Chris, Wigan*



" Do you really think it's me? "

### LOSING IT

A blonde is overweight, so her doctor puts her on a diet.

"I want you to eat regularly for two days, then skip a day, and repeat this procedure for two weeks," he orders. "You should lose half a stone doing this."

When the blonde returned, she shocked the doctor by losing nearly two stone.

"Why, that's amazing!" the doctor said, "Did you follow my instructions?"

The blonde nodded, "I'll tell you though, I thought I was going to drop dead that third day."

"From hunger, you mean?", asked the doctor.

"No," she replied, "from all that skipping."

*George, Ipswich*

### MAN TALK

There were three men talking in the pub. Two of them were talking about the amount of control they have over their wives, while the third man remained quiet. After a while one of the first two turns to the third and said, "Well, what about you, what control do you have over your wife?"

The third bloke says, "Well, just the other night my wife came to me on her hands and knees."

The first two blokes were amazed and asked, "What happened then?"

"She said, 'GET OUT FROM UNDER THE BED AND FIGHT LIKE A MAN!'"

*Steve, Derby*

### DECISIONS, DECISIONS

A man is dating three women and wants to decide which to marry. He decides to give them a test. He gives each woman a present of £5,000 and watches to see what she does with the money.

The first does a total make-over. She gets her hair done, new make-up and buys several new outfits, and dresses up very nicely for the man. She tells him that she has done this to be more attractive for him because she loves him so much. The man was impressed.

The second goes shopping to buy the man gifts. She gets him a new set of golf clubs, some new gizmos for his computer, and some expensive clothes. As she presents these gifts, she tells him that she has spent all the money on him because she loves him so much. Again, the man is impressed.

The third invests the money in the stock market. She earns several times the £5000. She gives him back his £5000 and reinvests the remainder in a joint account. She tells him that she wants to save for their future because she loves him so much. Obviously, the man was impressed.

The man thought about what each woman had done with the money, and then he married the one with the biggets tits.

*Matt, Carlisle*

### COUNTING SHEEP

There was once a farmer with a flock of sheep. He had a very gifted sheepdog. This dog was very special as, not only could it look after the sheep, but it could talk as well!

One day the farmer said, "Shep, please go and count up the sheep in the lower field. I bought them at the market yesterday and I want to make sure that none are missing."

Shep ran off eagerly and soon returned with his tail wagging and said, "I've counted the sheep and there are 50 there."

"50?" said the farmer. "That's strange, I only bought 47."

"That's okay, I've rounded them up for you as well."

# NIGHTIE DELIGHTY!

## *Make the most of Barbara's nightwear, it won't be on for long!*

**PHOTOS:** EXPOSURE ZONE

Beautiful Barbara is looking ready for bed, but as nice as her nightie is we really don't know why a girl like her would bother to wear one, because let's face it, if you had the great fortune to get under the duvet with her, it would be off in a matter of seconds.

"I don't know why I wear it either. I do love the feel of it against my skin but I much prefer sleeping naked, even when I'm on my own. I tend to get quite hot and sweaty when I'm laying in bed, and that's before I've even had any devious thoughts!

"When I'm alone in bed I just can't keep my hands off myself, I reckon I must masturbate more than most guys. I just adore playing with myself under the covers, I get myself into a right state sometimes, dreaming of my wildest sexual fantasies. It's lucky the flat next door is empty, otherwise I'd probably wake the neighbours with my constant orgasmic moaning. Even the discarded nightie couldn't muffle my moans, but it is handy for mopping up my love juices – of which there are usually plenty!" ♣

# You XC Thing!

**It's time to get on those premium rate phone lines and beg the suits at Volvo to give this baby an outing...**

The shite that counts for Saturday night entertainment these days; *The X-Factor* not only gives irritating losers the opportunity to spread their hatefulness to a wider audience, it also fools viewers into thinking they are influencing the results by phoning in to vote. The shittest acts always go through to the next round, while ITV fat cats sit back and milk in the £1 per call.

But it doesn't end there. The show has also made celebs (and squillionnaires) out of whining Simon Cowell, über-cunt Sharon Osbourne and numpty-dumpty Louis Walsh. The three of them earn a fortune on the back of this rubbish, all for heaping praise on some talentless no mark. Entertainment? Dusty Bin would be turning in his landfill site.

Thankfully, some things can have the X-Factor without the need for stretch limos, emotional journeys and patronising intros from Kate fucking Thornton. Volvo's XC90 did when it arrived in 2003, taking the luxury off-roader class by storm with its blend of quality, style, performance and practicality. Volvo has long since offered the XC70, but now the range is set to grow with the introduction of the stunning XC60.

It takes SUV styling cues and rugged ability and throws them into what Volvo describes as a coupe shape. Sculpted lines have become a Volvo trademark over the past 10 years or so, but the XC60 takes things a step further. The influence of the larger XC90 is clear to see, with the bold shoulder line in particular, although the angled headlights form part of a much more purposeful nose, complete with a dramatic chin spoiler and air intakes. Further hints about the car's potential come from the aluminium scuff plates, plus the sizeable wheelarches, filled by enormous 20-inch alloys with their own unique design. Yet look further up and it's as if Michelle McManus has sat on top of the thing; the low, tapering roofline seems to be at odds with the whole rugged SUV image.

It's a futuristic look, then, and this modern feel continues inside the concept car. Here, the clean, clutter-free layout is topped by the floating centre console – another Volvo signature. But it's been updated, so it's thinner and features an Apple iPod-inspired design which is more angled towards the driver. Touch-sensitive buttons and controls are smoothly integrated into the surface, and there's an 'invisible' screen integrated into the panel, which switches on to provide sat-nav information, but flicks over to ITV1 when Corrie starts. Meanwhile, the sliding gear selector is inspired by studio mixing desks. The XC60 is a strict four-seater, with spacious accommodation for two in the back, but all four chairs feature the unusual 'pony tail' slot – a big cut-out strip in the middle – which not only provides optimum ventilation for the occupant, but also means excellent rearwear visibility.

For safety reasons, however, most drivers will be looking forwards. And whether it's lumpy trails or billiard table smooth A-roads they see ahead of them, the XC60 is sure to perform faultlessly. It's likely to use the same AWD and Instant Traction systems as the latest XC90, albeit updated for the 2009 launch, which means there are limits to the new Volvo's abilities over rugged terrain. But on tarmac it will deliver a tempting blend of ride refinement and handling entertainment.

Performance will impress, too – yet one of the most interesting developments is that the XC60's pace won't cost the earth, as the concept seen at Detroit was set up to run on bioethanol. Volvo hasn't bothered with hybrid technology, as it realises it can simply tweak its standard engines to use E85 – essentially 85 per cent bioethanol and 15 per cent petrol. Bioethanol is a renewable fuel which is taking off more quickly at filling stations in over Europe than here – so it's a good job the powerplant can run on petrol until the fuel companies get their arses in gear – but given the environmental benefits, it's only a matter of time.

While the future of popular music looks bleak, thanks to endless annual talent shows lauding a procession of tone deaf fuckwits, it's Volvo that can rightly claim to have come on a journey. The brand has pulled its trousers up around its chest and created a great-looking, clean-living and achingly trendy machine. But this is no lame one-hit wonder; it's set to revolutionise the SUV class, and it doesn't need the carpet backing of a national TV station to do it. ♣

# TASTY TREAT

*With Alex it's certainly a case of hey good lookin', what you got cookin'?*

**PHOTOS:** SCOTT WARD

They say the way to a man's heart is through his stomach, so anyone lucky enough to bag Alex is in for a real treat. Before she became a porn star she trained as a chef and is quite capable of rustling up something delicious in the kitchen. But if that doesn't work, then we're sure she can rustle up something tasty in the bedroom – namely herself…

"Whether I'm in the kitchen or the bedroom, I'll always try to impress a man," she told us. "Although I guess it is easier to please him in the bedroom. The only ingredient I need is myself and with the right method I'll soon have him begging for seconds. Hopefully, he'll get a taste for it and be hungry enough to feast on me all night."

And we reckon that – just like eggs or potatoes – you can be done in a number of different ways, eh? ♣

**NAME:** Kirsty
**AGE:** 19
**VITAL STATISTICS:** 32-30-34
**WHAT'S SHE LIKE?** Twice as filthy as the little minx looks!

**WHY DID YOU WANT TO BE IN CLUB?**
Wouldn't you want to if you had a body like mine?

**ERR, I SUPPOSE SO. WHAT'S YOUR FILTHIEST FANTASY?**
Two guys at once. I've come close to it so many times but one of them has always backed out. I'd love to be fucked doggy style by my boyfriend while sucking on another man's cock, although my boyfriend would probably prefer to do it with me and another girl.

**AND WOULD YOU DO THAT?**
I guess so. I've never really thought about it although I have often been tempted to have sex with another girl. She'd have to be an inexperienced lesbian like me though, otherwise I'd feel really intimidated by her, and I prefer to be the one in charge!

**OH, YEAH? ARE YOU IN TO ALL THAT DOMINATION STUFF THEN?**
I'm just getting into it but nothing too kinky mind. I like to boss my boyfriend about, make him walk around on all fours and beg for sex, that sort of thing. He says he gets really turned on by me wearing nothing but a pair of knee-high leather boots, but he'd like me to get a whip, so ask me the same question in a few months time and I might be proper dominatrix by then!

**ARE YOU EVER THE SUBSERVIENT ONE?**
Not as often as my boyfriend would like! When he's in charge I usually end up getting done up the arse. I pretend I don't like it and I'm only doing it to please him, but to be honest I love getting done up the bum. maybe now he'll try it more often! ♣

## Teagan: Sexual Freaks 2 (Digital Playground) DVD

AN ORIGINAL DIGITAL PLAYGROUND PRODUCTION
DIGITAL PLAYGROUND presents
TEAGAN: SEXUAL FREAKS 2
a robby d. fix

We love Teagan Presley. She's young, hard-bodied, and fucks like she means it, so when this offering dropped onto out desk, it wasn't too long before we'd popped it into the machine for a quick shufty. Sure enough, there she is in scene one giving it a bit of the old dominatrix, and she looks mighty fine! OK, so the subsequent fuck involves a condom, but then why not treat yourself to a posh wank while you watch? Thereafter, Shay Jordan kicks off a trio of eye-catching fuck-lovelies getting on the outside of some eager cock, with dusky Kapri Styles shading in on points for throwing in a bit of anal, before we're back to Ms Presley, getting naughtier than Nigella in a kitchen. Shot in High Definition, this should really look the nuts if you've got the expensive kit to hand! ★★★★

## We Yum Yum Cum (Red Light District) DVD

Only in the world of porn could you get away with a title like this, in which five young strumpets of Oriental extraction set about demonstrating their predeliction for the white stuff. On the whole, they do a pretty good job, too. First up is Keeani Lei, who sets the bar pretty high by wrapping her delectable love holes round a glass dildo and an oh-so-lucky cock. Some nicely shot anal makes this scene a bit of a highlight, but there's plenty more good stuff to come, not least a dedicated DP from Max and another cracking bumming for innocent-looking Keymore Cash. Throw in a screaming orgasm for Lana Croft and covergirl Tia's reverse cowgirl, and what's not to like? ★★★★

## Madam Curtis (Archel/New Sensations) DVD

We've seen a fair bit of European smut that's out and out filth in our time, but here's something that's a tad more sophisticated and erotic. Wanda Curtis stars, playing with herself in a bath in between hardcore scenes (as well as cropping up in a few), and it's quite a feast for the eyes. There's no dialogue, just a bit of music and plenty of groaning, with a healthy dollop of pretty rude sex to keep the interest levels up. DPs, cracking close-ups (especially on the blow-jobs, so don't buy this if you don't want to see some bloke's cock looking like it's 3 feet long), hairy pussies, plenty of anal and some cracking norks make this a solid, old-fashioned porno. ★★★

## Little Miss Sunshine (20th Century Fox) DVD

KINNEAR CARELL COLLETTE DANO BRESLIN ARKIN
LITTLE MISS SUNSHINE
"Sharp, very funny and surprisingly moving."

Somewhat disappointingly, this turned out not to be an adaptation of the Roger Hargreaves-penned classic, but an indie-feeling portrait of a family as it drives across America so their seven year old daughter can take part in a beauty pageant for which she's somehow managed to qualify. Still, once you've got over the lack of smiley round cartoon characters and worms poking their heads out of the ground, you're actually left with a very rewarding watch indeed. The writing's deft, while the performances, from the likes of Muriel's Wedding's Toni Collette, Steve Carrell and Alan Arkin, are all spot on. A proper film about characters and personal development, in other words. ★★★★

## Chocolate Clone-A-Pussy (Lovehoney.co.uk) DVD

CLONE-A-PUSSY
Makes 2 EDIBLE Chocolate* Copies of ANY Vagina!
CHOCOLATE
DO-IT YOURSELF MOLDING KIT
CHOCOLATE

You won't find anyone round here who objects to eating out a nice pussy, but what if you've got a rather sweet tooth? Easy, just get you lady to spreadeagle herself on a towel while you smother her bits and pieces in molding material. Once it's set, fill it up with melter choccy and, ta-da! A chocolate facsimile of her crunge that you can tuck into whenever you get the munchies! You'd better make sure she's had a good shave before you start – there's nothing worse than finding a stray pube in your confectionery, after all! And if you fancy a talking point on the table next time you throw a bash, you couldn't do better! ★★★

## Severance (Pathé) DVD

"THE OFFICE MEETS DELIVERANCE" ★★★★
DANNY DYER
LAURA HARRIS
Severance
SEVEN COLLEAGUES.
ONE WEEKEND AWAY.
IT'S TIME TO GET SLAUGHTERED.

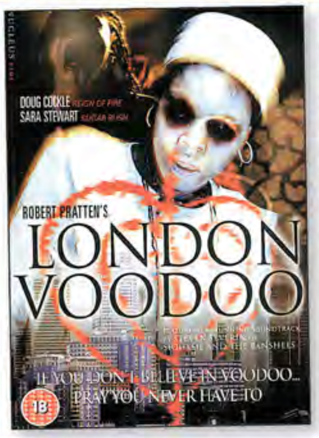
We can't remember what horror films were like before the fashion for inserting a great wodge of comedy in them started, but then British comedy/horrors are quite the thing these days. *Dog Soldiers* and the like laid the ground rules, and this offering is a worthy enough addition to the cannon. Starring, amongst others, über-lad Danny Dyer, Tim McInnery and *24*'s Laura Harris, this is the pretty amusing tale of an assorted office-load of military hardware salesfolk who go on a team-building exercise in central Europe, only to run into a gang of psychotic soldiers with a big chip on their collective shoulders. Lots of laughs and gory thrills means it ticks all the right boxes. ★★★

## Porn Week (Erotic Print Society) BOOK

PORN WEEK
Kate Copstick
EPS

VIewers of Bravo TV might already know about this one; Porn Week is a kind of holiday during which eager punters can hang out with a crew while they produce a porno flick, and perhaps get a bit of hands-on while they're at it. What with being on the telly and all, the programme itself is pretty tame, but this accompanying book is packed full of trouser tenting shots of the girls and boys in action from exotic locations all over the world. There's a bit or reportage too, but basically, it a glossy tome crammed full of cunts and asses getting crammed full of cock. Could be worse, eh? ★★★

## London Voodoo (Nucleus Films) DVD



DOUG COKKLE
SARA STEWART
ROBERT PRATTEN'S
LONDON VOODOO
IF YOU DON'T BELIEVE IN VOODOO...
PRAY YOU NEVER HAVE TO

Oh, what was that we were saying about horror films always having comedy overtones? Well, we'd better take that back, because here's one that plays it straight enough. In true *American Werewolf...* style, it's about a couple of Yanks who get their come-uppance after coming to England. Christ, it's a miracle any of them are ever brave enough to venture over here! This flick revolves around an analyst who relocates his family to London for his job, only to find his wife's become possessed by the spirit of an African Warrior. All too easily done! It's picked up quite a few prizes on the horror movie circuit, so if you like horror, you're in luck! ★★★

## The Great Ecstasy Of Robert Carmichael (Tartan) DVD

"One of the most shocking scenes in cinema history... Recalling Kubrick's A CLOCKWORK ORANGE"
"THIS MOVIE IS SHOCKING"
"EXCELLENT"
the great ecstasy of ROBERT CARMICHAEL
A film by Thomas Clay

It's not often we stop watching a film before the end but we had to do just that with this one. Not for being crap – as it's far from – but because it was too shocking! To be honest, we should have seen it coming as the film follows the life of a gifted teenager trapped in a dull seaside town, falling in with the wrong crowd (led by Danny Dyer again!). Things inevitably take a turn for the worse, but nothing quite prepares you for the graphically shocking finale which borrows liberally from *Clockwork Orange*. For anyone with a strong constitution, the build up is compelling in itself, just don't say we didn't warn you about the end. ★★★

## Modern Loving 2 (Modernloving.com) DVD

Modern Loving 2
the ultimate guide to sexual pleasure

Those books you buy, featuring all sorts of tips about how to have a blistering sex life – they all tend to be a bit of a letdown when it comes to actually seeing anything rude, don't they? Alright, maybe a glance of muff, and a nice curvy bum, but that's it. Not this DVD, though! Alright, so there are bits you might want to fast forward through – couples talking about sex and stuff – but there's also plenty of full-on rudeness to keep your interest piqued. The unrelenting commentary gets a bit much, though, and we're pretty sure we spotted one or two pros in among the real couples. No moneyshots, either. ★★

## NEIGHBOURHOOD WATCH

One afternoon, while my boyfriend Richard was out, I was doing a few household chores. As I made our bed I happened to glance across the street to the house opposite. My eyes almost popped out of my head at the sight that greeted me. The young couple, who'd moved in a few weeks back, were going at it big style. The bloke had his pretty young wife knelt on the bed and he was giving her a good shafting from behind. I stood, totally engrossed as I took in this very sexy sight. Even from this distance, it was plainly obvious that the girl was loving it, as her husband pumped his piece in and out of her willing entrance. I could sense her heightened pleasure as he grabbed hold of her hair for leverage and continued to roughly pump her with his cock. I love having my hair pulled when I'm being fucked and I couldn't resist slipping a hand inside my trousers to caress my moistening slit.

Meanwhile, across the road, the chap flipped his horny missus onto her back. I could clearly see her neatly trimmed bush and pink gash as she lay there with her legs spread wide. The guy turned to face her showing me his fine, tight arse then he knelt down in front of her and began to feast on her pussy.

I was determined to make the most of the spectacle and hurriedly stripped naked from the waist down. I began to rub my slit with a steady rhythm controlled by the pace of the man's head bobbing up and down his wife's pussy.

After much licking and sucking, her body tensed on the bed and I could tell she was about to come. I was determined that she didn't come alone and I hurriedly stroked my swollen clit with a couple of fingers. I could feel my orgasm build and was ready to explode at the same time as my naughty neighbour. As the husband pushed his face further between her legs, I could tell from her movements she was coming and I was just about to join her when I heard, "What on earth are you doing?"

Startled I turned to see Richard, who'd sneaked in through the back door, and was now standing in the bedroom doorway. I didn't know where to put myself. My face went bright red and my orgasm faded fast. Richard knew that I masturbated but he'd never caught me at it and I didn't know what reaction to expect. By the look on his face he found it quite amusing and also rather arousing. He walked over to join me

> ***"I looked down to see my husband lapping at the love juice that coated his lips"***

at the window. We both looked into the bedroom opposite and could clearly see the bloke on top of the girl, riding her hard.

"You dirty bugger," he said unable to tear his eyes away.

"I was just about to come before you spoilt it," I told him.

"Well, we'll have to do something about that won't we?"

I was slightly surprised but totally turned on as he knelt in front of me and started to lick at my soaking pussy. I was one lucky girl; I had the couple over the road entertaining me with their passionate shagging, while my horny boyfriend licked my freshly trimmed slot. He inserted a finger inside me and I could feel my orgasm return with increased intensity. He worked his tongue and finger in perfect tandem that had me gasping for air. Unable to delay the inevitable any longer and with a final triumphant scream my orgasm powered through me sending convulsions up and down my body. It seemed to last an age as pulse after pulse surged through me. I panted loudly as I caught my breath and looked down to see him lapping at the love juice that coated his lips.

***"He groaned loudly as the first jet of spunk hit the back of my throat"***

With all my excitement I'd forgotten about the pair over the road and as my gaze returned I could see the wife giving her partner a blow-job. He was lying on his back while she knelt over him using her hand and mouth to pleasure him. That was all the encouragement I needed. I told Richard to enjoy the view and I knelt in front him, pulled his trousers down and wrapped my lips around his solid cock. It soon became clear that my boyfriend was very turned on and I knew he would soon be showing his appreciation.

"That woman gives a fucking good blow-job," he said.

"So do I you lucky bastard!" I replied, wanking his shaft over my face.

His moans of pleasure grew louder and more frequent and I knew he was about to blow his stack.

"He's just finished over there and she's swallowed the lot!" he shouted excitedly.

Not prepared to be outdone by my neighbour, I readied myself to do the same. Pulling on his cock while holding it firmly in my mouth, I felt it twitch and he groaned loudly as the first jet of spunk hit the back of my throat. I opened my mouth wide and continued to milk the remaining load. Like my cock-gobbling neighbour I took the whole lot and swallowed it down. I licked my lips noisily and gave my boyfriend's knob a long, final suck.

I stood up to join Richard at the window.

We could see the couple over the street were still naked and enjoying a romantic embrace. Suddenly the chap stood up and looked directly at us. I wanted to duck down but it was too late, he'd clearly seen us. He was not the slightest bit embarrassed as he stood in front of us bollock naked and then the bugger waved. Then his wife stood up, she looked over and waved as well. What else could we do but wave back?

We've since introduced ourselves to our neighbours and they proved to be a lovely couple, indeed next Saturday they're coming over for dinner. I wonder if they've any more sexy surprises in store for us? – *Jackie, Leicester*

### NAUGHTY BUT NICE

I never thought I'd be someone's mistress but I recently started having an affair with a married guy. Dave lives a few miles from my home and is the horniest guy I have ever set eyes on. His wife is gorgeous but she's an air hostess so she's away a lot of the time and it seems Dave can't handle not having sex for a few days, which is where I come in.

At first I felt bad for sleeping with another woman's man, but I was going through a bit of a drought and hey, I've got to think of my needs first. When Dave told me it was his birthday and his wife was away, I decided to succumb to the prior flirting between us and give him an unforgettable present.

I drove to his house, dressed in matching black stockings, suspenders, tight mini-skirt and bra under a tight black top. My panties were, barely covering my pubic hair. I covered all of this with a black coat so as not to cause a stir with his neighbours!

Dave opened the door, already semi-hard at the thought of what he would experience. We kissed deeply and his sexy tongue darted into my mouth. He had just showered and was wearing a dressing gown to give me easy access to his cock.

I removed my coat in the hallway and watched his face in the mirror as he stared at my breasts trying to escape from my top. I turned away and bent down to remove my shoes, feeling his eyes staring at my bum as he took in the tightness of my panties. They barely cover my cheeks and he started to touch my bum but I stopped him immediately. Today I would be in control.

I kissed him hard on the mouth and then held

his hand to lead him into the lounge. Dave sat down on the settee and I stood in front of him and began to undo my top. I kept it on but pulled the material aside to give him a good view of my bra. Dave could see my erect nipples very clearly through the lace and I traced their outline with my wet fingertip. I moved closer to him but remained standing and lifted up my mini-skirt to give him a great view of my soft, creamy thighs and tight panties. I stepped closer to him and my pussy was so close to his face, he could smell how turned-on I was and his cock grew harder. I gently stepped out of my skirt and he could see my tight panties were crotch-less. We said nothing to each other but kissed again, turning ourselves on even more.

Without warning, I stepped back and started to move sensuously to the music paying on the TV. I gave Dave his own floor show and he was mesmerised by my tits swaying as my body moved. I became his private dancer as I slowly removed my top and pulled my bra straps down. I raised my hands above my head before reaching behind my back to undo my bra. My tits spilled out and I play with each nipple in turn, still gyrating to the music. I moved my left breast into my mouth and moaned softly as I used my tongue to lick my stiff nipple to turn myself on. Dave's cock grew and he started to wank with his eyes locked on my tits.

> **“I lowered my swollen pussy onto his willing tongue”**

The track ended and I stepped forward towards Dave who was still sitting on the settee. His gorgeous cock remained erect and a drop of pre-come oozed from its wet tip. I stopped him wanking and pushed him down onto the settee. He did so without any resistance and I moved my body closer to his.

Without warning, I knelt beside him and he watched as I parted the lips of my gaping pussy to expose my clit. It was bright red with desire and he watched as I stuck three fingers into my aching, gaping hole. I removed my fingers and offered them to Dave to lick. He gobbled my juices and demanded more. Still kneeling, I moved towards his face and lowered my swollen pussy onto his willing tongue. He licked my cunt rhythmically as his hands rested on my pubic hair. His lips kissed my dripping pussy and he pushed his tongue deep inside me. Within minutes, I screamed with pleasure and came again and again.

Dave sat up, tore off my soaking panties and grabbed my suspender belt hard. He pulled me upstairs to the bedroom, pushed me onto his king-sized bed and I turned to look in the mirror as he pushed his massive cock deep inside me. He totally filled my twat, stretching me wider than I'd ever been before. After a few minutes of fucking hard, Dave turned me over onto my knees and parted my sopping wet pussy with his fingers.

Suddenly I felt his hard cock against my open cunt and he was inside me again, fucking as hard and fast as he could. Dave squeezed my arse and hanging tits as he fucked me and we both cried out in exquisite pleasure until I felt his hot spunk spurt deep inside my engorged pussy and I came once more with a gigantic shudder.

I do feel a bit guilty, but I know some incredible sex is on the cards with Dave, and I certainly can't turn them down! – *Michelle, Bath* ♣

## DEVON REAM

While on holiday in Devonshire last year I met the most amazing and open-minded girl ever. Her name was Shelley and we still hook up when she comes to London for the odd weekend.

I had rented a cottage in a small village for my girlfriend and me. But she chucked me just before the holiday, and, not wanting to waste the money, I headed there alone.

I met Shelley while getting tanked up in the pub the first night of my holiday, and after laying on plenty of charm (and alcohol) she came back to the cottage with me. As soon as we closed the door she eased my boxers down, and began to play with my cock. Squeezing it until it was fully erect, she then lowered her lips and kissed my Jap's eye. Then, holding my prick firmly in her hands, she squeezed until the head became engorged. Licking her lips first, she then extended her tongue towards my helmet and began licking it, swirling all around the head before lapping across the piss-hole.

Shelley continued to work on it with her lips, teeth and fingers. She rubbed my balls, sucking me more gently for a while, then took my cock out of her mouth and dragged it across her face. I gulped in surprise as I watched her rub my cock over her cheeks, her eyes mere slits as she pressed my boner hard against her lips.

Without ever taking her lips from my shaft she slid her hands down her hips and pulled her tight little thong down. Then she straightened up, and licked her lips in a provocative manner. Turning around with her back to me, she dropped on to all fours and crawled a short distance from me, her arse swinging from side to side, before halting, legs spread, her arse pushed high in the air, and her hot, pink slit peeking back at me.

Shelley reached behind her, and, parting her arse cheeks further so I could get a good view of her anus, asked me if I'd like to fuck her bum.

I scrambled to my knees, my cock bouncing as I moved up behind her. I laid one hand on her buttocks, gripping and kneading them, while the other slid between her thighs and cupped her pussy. She moaned in excitement, moving her hips around in a series of wide circles as I rubbed my palm over her puffy pussy mound.

I shoved my prick forward, almost punching it between her fanny lips, then gripped her hips and thrust hard. She let out a soft cry, her head jerking up and back, then sinking again as I fed the last inch of cock up her pussy.

After a few spirited thrusts, however, I withdrew my soaking member. Rubbing my inflamed penis down the crack of her butt, I positioned it against her anal opening, and, satisfied that it was sufficiently lubricated with her juices, began pressing it hard against her anus.

Her ring relaxed under the pressure of my prick and my helmet sank inside it. With a bold thrust born of my extreme excitement I pushed my rod in all the way, then began to fuck her arsehole using long, deep strokes.

Her greatly-stretched sphincter was deliciously tight around my boner, squeezing it firmly as I sawed it in and out of her rump. I pumped her until the sweat was pouring down my forehead into my eyes, our combined moans echoing across the yard as we arse-humped desperately.

Then, suddenly shrieking, she rammed her arse back to meet my thrusts one time too many for my self-control and I felt my seed rise. I remember Shelley whimpering, jerking her head around and down like a wild horse as an orgasm ripped through her, and then my compacted cock was spouting hot fuck-juice inside her, spraying right up her rectal sex-tunnel.

Gasping for breath I clutched her hips and slammed her back hard against me, jamming every last inch of prick up her anus, banging my loins against her buttocks as I shuddered and then half-collapsed over her.

Satisfied and drained I withdrew my limp and slightly pained penis. She sank down and I just lay there on top of her.

My cock was raw for days after I returned home from my country holiday. But I have yet to bang another bird, in any position, who can empty my balls so completely as that mad Devonshire lass.– *Nigel, London*

### BUTTERIN' UP THE BOSS

I used to think my boss Lisa was just one of those people who was so in love with her job that there was no time for men. She's an incredibly attractive girl, with big boobs, long blonde hair and a big firm bum set off by wide hips, but so far as I could tell she lived alone and rarely went out. I've got a steady boyfriend who knows how to make me come, but I can't pretend I'm not attracted to Lisa, and I had always wondered what exactly she did for her thrills. Well, I'm writing to tell you how I found out, and educated her.

One evening I had to take some papers round to her house. She lead me to her kitchen, where she appeared to be doing some baking. Sitting at table watching her was this gorgeous bloke I'd never seen before, apparently a former colleague. I nearly wet my knickers as soon as I

saw them both, and quite honestly I wanted to fuck the pair of them!

They invited me to stay for a glass of wine, and I could tell they'd already had a few. They were a bit giggly, and soon the conversation got on to sex: what's your dirty secret? That sort of thing. Mine's blow-jobs – not very exciting, but I love the feeling when a guy comes in my mouth. Jerry said his was doing a girl from behind so that he could pretend he was doing her up the bum. Apparently none of his girlfriends had ever let him fuck them that way, and I couldn't believe it! I'm always having it up the rear, it isn't a dirty thing to me, it's just a normal part of sex.

**"He fumbled for a moment, then they both let out a loud cry as his cock connected with Lisa's puckered hole and he penetrated her deeply"**

"I must admit I've always wondered about anal," said Lisa. "Well, anal and... you know, with another girl."

"Well, let's see," I said taking hold of the moment, reaching over to put my hand on Lisa's fabulous bottom, "you want to take it up the bum and Jerry wants to give it that way – what the fuck are you waiting for?"

The two of them made eye contact and shrugged as if to acknowledge I'd got a point. I stood up, lifted Lisa's skirt and yanked down her panties, allowing me to feast my eyes on what I'd been imagining since the day I met her. Oh what an arse she'd got! If I'd been a man I'd have had my cock up there faster than you can say bum, but instead I had to content myself with getting it ready for Jerry's prick.

Although I take it up the arse quite often, I don't carry a tube of lube around with me, so it was necessary to improvise: I spotted a large packet of butter on the table. I scooped up a generous globule onto my fingers and swiftly transferred it to Lisa's bottom, thrusting my fingers up between her buttocks before she had time to think. She squealed as my fingers darted up between her bum cheeks and looked awfully startled, but then I located her anus and began to massage the sticky butter into it.

My mouth flooded with spit and I must admit I started to tremble as I finger-fucked my boss's anus, and I was that turned on I nearly came. But I was just the sideshow, this was about Jerry's cock and Lisa's virgin arsehole.

"Okay, now you need to take over," I said to Jerry. He got to his feet and stood there looking stupid, waiting for me to get his cock out for him. He was rock hard already, and a little pre-come seeped from his pulsating penis as I applied a bit of butter to it. Lisa, meanwhile, had freed her tits, and I paused briefly to fondle them and suck one of her nipples before moving aside for Jerry.

I bent Lisa over the table so that her tits came to rest on the surface, and I pulled her bum cheeks wide apart so that Jerry could access her tightest hole. He fumbled for a moment, then they both let out a loud cry as his cock connected with Lisa's greasy puckered hole and he penetrated her very deeply.

I was quite impressed. Some blokes go to pieces when they're doing a girl arseways, but Jerry was awesome, hammering away at her bottom like a hero. To heighten their experience, I scooped up some cake-mix onto my fingers and fed it into Lisa's open mouth. She sucked my fingers clean and then swallowed hard, causing her bum to contract hard on Jerry's cock. I did this again and again, and each time Lisa sucked my fingers and swallowed hard until finally Jerry could take it no more and came, flooding her back passage with his hot goo.

I dropped to my knees and licked Lisa out from behind until she came in my face, with Jerry's jism seeping out of her bum and onto my nose! Well, I think I gave them a master-class, but from now on the choice of hole is up to them! – *Georgina, Surrey* ♣

## The Club International
# Stereo of Filth & Love!

**Brought to you by Club's No. 1 music madman DJ Radio Jamaica**

**Bloc Party**
**A Weekend In The City (Wichita)**
South London firm release their second LP and is it as good as the first? Of course not, second albums rarely are and unlike with Razorlight's follow up, *A Weekend In The City* will struggle to recruit new members to the Bloc Party fan club. However, those who enrolled first time around will be happier than Pete Doherty with a needle in one hand and Mossy's fanny in the other.

**Jamie T**
**Panic Prevention (Virgin)**
Mr T is a half indie half chav from Wimbledon, home of the dear old Wombles, and is loved by many in the nation's capital. Imagine Hard Fi's songs played by the Mystery Jets and you're in the right tent although possibly with the wrong woman. *Panic Prevention* is the best album of the year so far, well worth the dosh, and is more infectious than the clap.

Lady Sovereign
PUBLIC WARNING!

**Lady Sovereign**
**Public Warning (Island)**
Now here's a girl who thinks bum sex is a form of contraception. Having already rendezvous'd with the Ordinary Boys on Nine2Five, young 'Sovereign sounds like the offspring of Geri Halliwell and Rocco Siffredi, mixing girl power with a bit of nastiness. Not really one for the boys but will bring smiles to the faces of young slags throughout the nation.

SCISSORS FOR LEFTY

**Scissors For Lefty**
**Underhanded Romance (Rough Trade)**
Cool mother fucker alert. Bling bling. Bang bang. Boom Boom. Here's this month's slice of indie disco meat and it's better than most of the shite that's doing the rounds at the moment. If you're girlfriend loves The Rapture, then this will lube her up in no time. Stick it on and dance the night away.

**Buswell**
**Don't Go Wasting Time (4th Street Records)**
Like a picky tart, we wouldn't normally have time for a mere 7 inch, but we've made an exception for this because it features a remix by… Desconocidas! Yes, quite, but half of Desconocidas works here, so this is, I'm afraid, a bare-faced plug for a mate's record…

**Cooper Temple Clause**
**Make This Your Own (BMG)**
What do you get if Carl Barat robs your bass player? Two shit bands. Sorry lads, but it's time to call it a day – make this your last one.

# RUMBLE IN THE JUNGLE

**Having recently supported the likes of The Charlatans, Paul Weller, and The Zutons, Club talks to Rumblestrips drummer Matt Wheeler…**

Find more about the band at:
*www.myspace.com/rumblestripsuk*

**Have you ever damaged yourself?**
A couple of years ago we sat at this bar playing a game where you had to put a candle in a jar whilst it was lit so that it would go out. My mate put ice on his arm for about ten minutes but I managed to convince myself in a drunken stupor that I could do it without any ice and it blistered up really bad. I went on a bender for about a week and I was in the back of this club crawling on my hands and knees and I managed to burst the blister and got it full of that black nightclub dirt that you find in clubs. Eventually I ended up in hospital because my hand got infected, then all my blood got infected and it was really bad. The doctor said if I'd have arrived twelve hours later I'd have lost my arm.

**As long as it wasn't your wanking arm. Have you ever seen any decent weapons?**
Yeah. I was shooting a Magnum 45 on a range in LA recently and that was fun. I shot a 1911 colt, loads of smaller gauge guns, and six little cowboy shooter type of things. Some large rifles too, but the Magnum was just fuckin' nuts and the bullets were huge. It's just like going ten pin bowling – you go in there, give 'em some money, and two minutes later you're shooting guns. It's definitely worth doing if you get the chance.

**Where was your first ever fuck?**
Well, it's a bit of a dodgy one this. Apparently, some girl shagged me after I finished my work experience at this cider factory when I was at school. They didn't give me any money so they paid me in cider at this party and apparently I shagged a girl in the car park afterwards. But the first time I can remember was with one of my friends at my parent's house. It was an interesting experience. I like to think of my friend as my first because the cider girl wasn't that attractive.

**Rock 'n' roll! Where is the weirdest place you've had sex?**
On Dartmoor with my first girlfriend at two in the morning. There was this guy walking across the moor with a rifle wearing night fishing goggles coming towards us. He just wanted to know how to get home. The army used to drop people off on the moor with a map and compass and they had to find their way back to the barracks. We knew where it was and this guy didn't, so we helped him out.

**So when he's in Iraq and he's lost, he won't be able to get home because he can't use his fucking compass!**
It's true actually. I've probably ruined the country!

**And what has been your Rumblestrips highlight so far?**
Probably The Zutons gig at the Hammersmith Apollo which was really good fun and there were thousands of people watching. And going to the SXSW festival in Texas last year.

**Cheers for that Matt, nice one.**
Is there enough there to make me sound cool?

**We'll make you sound like Axl Rose mate.**

# MAND IN DEMAND!

## *For Mandy there's nothing more exciting than the element of surprise!*

**PHOTOS:** 21ST SEXTURY

If you thought it took a generously-sized member and a week's worth of stamina to satisfy a mouth-watering model like Mandy, you'd be wrong. Terribly wrong. She much prefers spontaneity, so surprise her with an unexpected entry and she'll be ever so pleased…

"There's nothing that turns me on more than getting fucked when I least expect it. My ex-boyfriend was pretty good at surprising me all the time. I'd be hoovering the flat and then the next thing I know he's coming up behind me, slipping his hand into my knickers and priming me up for a good hard fucking!

"I thought I'd get bored of it after the first few times he surprised me, but instead I seem to have bigger and better orgasms every time. The only problem was, I was expecting so many impromptu fucks that when they did come they were obvious and the novelty wore off. So I dumped my boyfriend! Now I'm getting all excited about when I'm going to get shagged next!" ♣

# STEVIE DOES IT!

*When it comes to giving blow-jobs, the colder they come, the better…*

**PHOTOS:** RUDEBOY

When it comes to sucking dicks, the gorgeous Stevie reckons she's pretty damn good at it. Unfortunately, after plenty of begging she declined to prove just how good to us, so we'll have to take her word for it…

"Every guy I have ever given head to has said they have never had a blow-job like it before. That makes me very pleased with myself. I always set out for them to enjoy it, but if I'm being honest my enjoyment comes first so it's a good thing I love sucking dicks! They all have different flavours and it's an absolute joy to taste a new one. I'll always run the tip of my tongue up and down the shaft and around the end of a cock to sample the taste before I put the whole thing in my mouth.

"My speciality is sucking a guy off with a mouthful of ice cubes. They go crazy when I do it and it seems to make them shoot their loads twice as fast in to my mouth. Not that I mind, because I love the taste of spunk and the melting ice cubes always help wash it down. Some people like a nice stiff drink with ice, I like a nice stiff dick with ice!"
